

The mission of our preschool/kindergarten choir ministry is to provide and teach developmentally appropriate songs and activities which will lead each child to a better understanding of who God is, and the child's relationship to her/his Creator. The children share songs they have learned with the congregation during Sunday morning 10:45 services from time to time.

Our preschool/kindergarten choir (ages 3-5 and children presently in kindergarten) meets on Wednesday nights at 7:00 PM following Mission Friends. We have a wonderful time praising the Lord and fellowshiping with one another.
